

Quilting in New England

A Cozy Fall Quilting Retreat

September 10th to 13th, 2026 • Waterville Valley, NH

Come join us for a cozy fall weekend of quilting at the beautiful Golden Eagle Lodge in Waterville Valley, NH!

There's something magical about fall in New Hampshire — the ever-changing colors have a way of sparking creativity and inspiration right when you need it most.

This retreat is the perfect chance to finally finish those UFOs or dive into that project you've been dreaming about. You'll get plenty of time to work on whatever you choose, connect with fellow quilters, unwind at a beautiful resort, and enjoy delicious food without lifting a finger in the kitchen. Best of all, you'll have uninterrupted sewing time to create.

Your Home Away from Home

You'll be staying in your own cozy condominium-style suite, complete with a living room, bedroom, bath, and kitchen. Sleeping arrangements vary by unit and may include a queen bed, a full bed with an extra twin, bunk beds, or a Murphy bed — and daily maid service means one less thing to think about. When you need a break from sewing, you can take a dip in the newly renovated pool, relax in the hot tub, or get in a workout. And when you're ready to explore, a private walkway leads right to Waterville Village Square, where you'll find charming shops and restaurants.

Our Sewing Space

Our sewing home base is the Alpine Room, where we set up comfortable, welcoming workspaces just for our retreaters. We'll have ironing boards and irons, cutting tables and mats, and general-size rulers on hand for everyone to share.

Traveling From Afar? Don't worry about packing your whole sewing room! We have a few sewing machines available to borrow, so just reach out and let us know what you need—we're happy to help make your trip as easy as possible.
